APPRECIATION LETTER

We would like to express our deepest gratitude for your selfless contribution to install RO Plant in 142 Bn BSF campus, Jalipa, Barmer. RO Plant, will not only a sigh of relief for the users of Barmer-Jaisalmer highway but also to the personnel & families of 142 Bn BSF who are incessantly serving to the nation with their utmost valour and full of devotion. Your act of generosity to serve the humankind is highly appreciable.

We always believe that through a movement of helping the humankind, it brings the formation of a peaceful and healthy community with love and peace with God and patriotism in our heart.

May this letter serve as a receipt of document of your selfless donation for which you did not receive anything in turn.
